Upcoming Fiber Events

2012 National Goat Expo - October 7-11, 2012

This is the first ever National Goat Expo for all breeds of Dairy, Meat, and Fiber Goats showing and being under one roof, well two barns in a 5 day event. There will be everything from Boers, kikos, all dairy breeds, to angora, cashmere, pygora, nigerians, and mini breeds. Not only will there be showing for the different breeds of goats, but there will be meetings, seminars, classes, clinics, demos, and 4H and FFA activities and shows for the kids. There will also be a 4H and FFA auction, a Premier Breeders Auction, and silent auctions being bid on throughout the week. We are also having spinning, knitting, and weaving how toos that we are looking for sponsors for. We are having 1-2 advanced 3 hr spinning classes and we have alot of interest in these, but we are now looking for someone to do them, as health issues arose with the lady that was going to do the classes for us. I have been working on this for a few years now and have formed a wonderful BOD as well as committee members working with me on this wonderfully huge event. More information about goats needs to reach more people across the US so that they can see the importance and uses of goats and that they are important. I am contacting you today to see if you would be interested in being involved with the National Goat Expo. There are many options of sponsors, donations, and ways to be involved with and at the NGE. I would love to have Fiber Guild of Greater Kansas City involved with the National Goat Expo. We have quite a few different options for sponsorships, vendors, donations ,class sponsors, seminar sponsors, etc. If you would be interested in helping out with the NGE please let me know and I would enjoy talking with you more about the NGE.

For more information about the National Goat Expo you can visit our website at www.nationalgoatexpo.org , you can also reach me at president@nationalgoatexpo.org
