HUZZAH! Calling all ye pretty wenches and daring lads of the spinning realm to bring wheels, looms, and needles to the Renaissance Festival in Bonner Springs, weekends from Aug. 31 to Oct. 14, 2013.

Sell your wares and demonstrate your skills! Fiber art skills, please. Juggling talent only if balls of yarn are involved, I am still recovering from the incident with the flaming-turkey-leg juggler last year.

Sign up at guild meetings or attempt to contact the scheduling mistress, Jamie Root, kjroot@yahoo.com 816-509-1368

Need more info? Don't we all. An information page is being edited as you read this. All will be revealed. Except for the thing about the elephant. No one will speak of it.

Creative Hand Application and Guidelines

Welcome to Creative Hand 2013! Attached are the 4 forms needed to apply to Creative Hand 2013. This year we are asking applicants to either type in their responses and then print out both sides of the application form or print out the form, then type in the spaces. Since the application is scanned then forwarded to the committee organizers, typing is clearer and easier to read than handwriting. Also, there are several changes to the Product Selection and Guidelines, so be sure to take time to read them carefully. If there are any questions or concerns, feel free to contact me at laura.mayes06@gmail.com or [913-626-5898](tel:913-626-5898)

I have some display equipment that I would like to get rid of and thought maybe some of your membership might want. Prices are low. They are designed for hanger/clothing display. One is specific to hangers the other is a double bar that could be used for draping. Beverly Hof-Miller, Waxing Moon Studio, bhof_miller@yahoo.com

I am the 4-H Agent in Ness City KS, and a part of a camping group that meets in Dodge City Kansas June 5-6-7, 2013. We are focusing on a Kansas Adventures Theme this year and one evening we would like to do some Pioneering activities with the kids. Our campers are 7-10 years of age and there might be between 25-40 of them. I would love to have a spinning demonstration done for the kids, and then possibly each of the kids get a chance to spin some yarn of their own to take home. Do you know of anyone or any resources that might be able to help me with this request. Thank you in advance for any help you could provide. Robyn Deines, rdeines@ksu.edu
