2015 Guild Membership Applications

The 2015 Guild Membership Application are ready for the Guild. Member ship applications will be available on both the Fiber and Weaving Guild websites soon. Both boards voted to add a note about "Family Memberships" to the application. It was assumed that everyone knew this, but it will now be spelled out on the application.

"Family Membership consists of one or two adults and their children under the age of 21 who live in the same household"

The Guild dues remain the same as last year. Please use the new application for 2015.

If you are a "Lifetime Member", we still require a completed application in order to include you in the 2015 directory.
