How to check out Fiber Guild books

The Fiber Guild Library is listed on the [Guild website](#).

Books may only be checked out by current (paid) members of either guild. To check out books, contact the Librarian, [Jan Gallagher](#), jan@ibelievedesign.com, who will make arrangements for you to obtain the book(s).

Materials may be checked out for one month at a time, with up to two renewals for an additional 2 months, provided no one is on the waiting list for the material. If a member loses the item, they must pay the replacement cost or replace the item themselves. If the member wants to check out the material for a fourth month, it must be physically returned before it can be checked out again.
